

# CHRISTIE BRASHERS

I'm fascinated by the intersection of physical and digital experiences. I observe the subtleties of everyday life and strive to connect people with solutions that blend into their natural behaviors. I love homegrown food, skateboarding, and my young family.

## EXPERIENCE

- Design Consultant** ..... 10/13-Now!  
Catapult Design  
Responsible for the design of Catapult's internal documentation system as well as the info structure, visual design, final deliverables for multiple client projects. 
- Interaction Designer** ..... 5/13-Now!  
Jaman Networks  
Currently working on the interaction and visual design for a new technology-enabled service. Supporting role in the business development and strategy. 
- Storefront Designer** ..... 5/13-Now!  
Berkeley Student Food Collective  
I assist in the store layout and information design for a local food collective to further our mission and educate the public about food justice. 
- Research Assistant** ..... 3/13-5/13  
Lucie Richter Consulting  
Headed the market research for technology products designed in the aging space. Thought experiments of additional solutions to address 'Aging in Place'. 
- Product Design Consultant** ..... 3/13-4/13  
TKS Design  
Sketches, computer models, and polished renders for a new consumer electronics product category. 
- Team Manager** ..... 02/13-4/13  
IMPACT Social Entrepreneur Awards  
Managed the research and deliverables for a cross-disciplinary design team to secure a \$10,000 grant to execute our proposal. We made it to the finals! 
- Junior Designer** ..... 5/11-10/11  
Wishbone Apparel  
Designed 120+ apparel styles for the college female market, also designed and coded the online lookbook. 
- Intern** ..... 8/08-3/09  
By Suz  
Design and fabrication of handbags, jewelry, outerwear, and theatrical costumes, as well as general organization of studio.
